

## Deutsch-Singapurische Industrie- und Handelskammer Singaporean-German Chamber of Industry and Commerce

### Speakers

#### **Larissa Murmann**

Larissa Murmann is the Digital CHRO of Unilever International, Unilever's fastest growing business unit. She champions the development of a high performance, high care, and high digital culture. A disruptive leader and highly authentic speaker, she has over a decade of experience in organisation and culture transformation. She is also the founder of Guide2GOLD, a HR Innovation & Transformation Organisation.

#### **Simon Siah**

Simon Siah is the advisor to The Courage Chapter, bringing deep expertise in strategic leadership, operations, and business transformation. Simon has a strong track record in the startup and technology sectors - he is passionate about intergenerational learning and innovation, advocating for inclusive workforce practices that tap into the wealth of experience offered by mature talent, such as enabling fractional projects, creating value for businesses and society alike.
